Dear Sir,

RE: UPDATES ON SABAH OPEN FENCING CHAMPIONSHIPS CUPS 2017

Kindly refer to the reference above.

In view of the request by the Ministry of Higher Learning for full individual events to be competed in the Sabah Open Category, following is the updated list of events offered in this category

- Men's Foil Individual
- Men's Sabre Individual
- Men's Epee Individual
- Women's Foil Individual
- Women's Sabre Individual
- Women's Epee Individual

Also due to the popular request for sabre events to be included in the U12 International Open Category, this category now comes with the additional events as follow.

- U12 Boy's Sabre Individual
- U12 Boy's Sabre Team
- U12 Girl's Sabre Individual
- U12 Girl's Sabre Team
- U10 Mixed Sabre Individual
- U10 Mixed Sabre Team

Please note that for ALL events in the U12 International Open Category (both U12 and U10 events), a minimum of 5 (five) fencers are required before the event is competed. It is therefore highly appreciated for early submission of registration forms for smooth running of this category. Please find attached the additional forms for the additional events.

Thank you very much for all the goodwill feedbacks. Sabah Fencing Association (SFA) trusts with these adjustments in increasing events for this championship more teams with more fencers will be able to participate.

Thank you.

Yours sincerely,
For Sabah Fencing Association
